NOTE 1: Introductory Membership is a special first year membership available to new members or those who are rejoining after three or more years absence. Introductory Members cannot compete at state, national or international competitions; however, they may upgrade to full membership at any time. **Family** is defined as a married or de facto couple and their junior children (under 18 as at 1 July 2007).

NOTE 2: Day Membership is for 'Come & Try' skiers. Such members may compete at club tournaments by invitation, but results are not recorded. Membership does not cover Personal Accident Insurance.

NOTE 3: Club Membership. This category of membership extends to *bona fide* clubs only with a physical clubhouse and is to cater for purely club skiers who only compete at home club events. Club Members cannot ski at other clubs, state titles or a higher level. However, membership may be upgraded at any time.
